

All these memories we made here,
I will keep with me through my years.
Friday dinners, thesis tears,
Asking endlessly for a party

I hate to see you go,
I can't wait to watch you grow <3

Woh wala desh, assholes and jerks
PhD hate, put yourself out there
Justice for sig grill, Union gripes
And the all time favorite...

I hate to see you go,
I can't wait to watch you grow <3
